Attachments: PFAS_Rinsate cover letter_02252021.docx

All

We need to explain our data and why we think the fluorination process created PFAS. So I added a paragraph under Conclusions, in red for that. Please see if you agree and/or want to add anything else

I need this back before end of day today.

Ingeborg is added to this for a fresh new pair of eyes.

Thank you

Thuy
